1. [REDACTED], an employee of this Division has written the attached memorandum requesting approval and payment of expenses involved in the travel of his newly acquired wife returning with him to his station in September 1950.

2. This division feels that had the travel order been amended at the time of the travel, this issue would never have arisen. We feel that the regulations have been complied with by [REDACTED], and the decision which needs to be made is in regard to the retroactive approval of a Travel Order at this time. We would like your opinion as to whether a travel order may be amended four years after the date of travel, correcting an administrative error made at the time of original writing.

3. Your prompt opinion will be appreciated. Upon receipt of an affirmative reply, we will prepare the necessary Travel Order Amendment.
